Dear Stephen,

On behalf of the Ignite IT Awards team, I want to say thank you for agreeing to take the time to participate as a judge for the 2009 Microsoft Canada Ignite IT Awards.

Helping recognize and reward this year's best stories from Canada's technical community is a true validation of your support in the advancement of Canada's IT Industry. Your expertise helped select the top Developer of the Year and top IT Professional of the Year. The winners will be announced publicly in May 2009.

Enclosed is a small token of our appreciation to thank you for working with us to make this program possible for the technical community. We really couldn't do this without you and your support.

Best Regards,

Mark Reiph
