Dear Stephen:

As a follow-up to our telephone conversation this afternoon, I am most pleased and honoured that you will provide the keynote address to the 1988 B.C. School Districts Computer Users' Group A.G.M.. The meeting is scheduled for Monday and Tuesday, October 17-18, 1988 at the Richmond Inn. We have tentatively scheduled the keynote address for 11:00-12:00 a.m., Monday, October 17th..

We will be pleased to cover any expenses which you may incur, and to handle printing/photocopying and such details as required. We will provide an overhead-projector and a PC-Viewer for overhead, as well as any other peripherals which you may require.

I appreciate your busy schedule, and that you may have to recommend an alternate in the event that you receive an emergency calling. However I certainly hope that you will be on hand to address this group regarding general MIS/DP trends and directions in Office-automation and computer Operating Systems.

As always, it's a pleasure talking to you, Stephen, and I look forward to seeing you in October.

Yours truly,

W. Ben Martin
President, B.C.S.D. Computer Users' Group
