

October 24, 1986

Mr. Stephen Ibaraki, Principal  
Cepelle Computer Consultants  
Suite B, 1271 East 27th Street  
North Vancouver, BC V7J 1S5

Dear Stephen:

It was a pleasure meeting you on October 15, and on behalf of our organization, thank you for your excellent presentation on "Dial-up Databases."

The feedback on our evaluation forms indicated that your program was well received - especially those very useful telephone numbers! As we discussed, our members expressed interest in a further day long seminar and found that you were a very informative and helpful speaker. Jane Goto is also pleased to have your article for addition to our next issue of WORDS WEST. You will be receiving a copy of this newsletter within the next week.

Once again, Stephen, thank you very much for providing an informative session to our members and for loaning us the enclosed copy of your COPA Computer Seminar Notes. Our new executive will be contacting you again in the new year regarding our long-range program planning.

Sincerely,

Lynn Jest  
Vice President, Programs
