North Vancouver, B.C.  
V7J 1S5

Dear Stephen:

Once again I would like to thank you for participating in the Business Education Fall Seminar. Your presentation was thought provoking and inspirational. I'm sure that there will be a "ripple" effect among the five secondary schools represented which will directly contribute to more enlightened educational experiences for the students.

Sincerely,

A handwritten signature in dark ink, appearing to read "Keith Stainton", written in a cursive style.

Keith Stainton  
Assistant Superintendent-Instruction:Secondary
