EnergizeIT: The Unconference -- You Install, Learn: Vista, Virtual Server, Office 2007

I am a "geek". I admit it even though I started in 1965. So I couldn't pass up EnergizeIT on June 24th. I consider it a kind of Unconference since it's centered of what we want-having fun, interaction, hands-on labs with our own laptops, free software, sharing within a community of IT.

Plus you get a unique opportunity to plan for the adoption and training of: Windows Vista, Office 2007, Virtual Server, and more.

Finally, there is sponsorship of a charity at each live location, and IT Pros have the biggest heart and drive for community involvement; for making a difference!

You can join a live EnergizeIT event or stream from anywhere in Canada:
<http://www.microsoft.com/canada/technet/energizeit/default.aspx>

I'm going and will blog about it here in the CIM. Come and chat or send me a blog about it and I'll put it up as a guest blog. You will see the other CIM bloggers at EnergizeIT too.

Enjoy!
