MSDN Code Awards

I have worked and taught as an IT Pro and as a Developer. I appreciate both areas for IT practitioners. This one caught my attention since it is a special awards program for Developers.

Enjoy!
Stephen Ibaraki

[MSDN Code Awards](#) is a program targeted to the Professional Developer. It's a special community awards program that recognizes contributions of Developers & Development teams for their technical excellence, outstanding contributions in the community, business savvy or all round passion for the art of Development.

There are two award categories:

1. Developer of the Year Award - \$2000 Prize and \$1000 donation to Charity plus trip to Energize IT in June 2007** see rules
2. Development TEAM of the Year Award - \$4000 Prize, \$1000 donation to Charity plus trip to Energize IT in June 2007** see rules

Timing:

Judges:

- Mark Relph: Director, Developer & Platform Evangelism, Microsoft Canada,
- Stephen Ibaraki: Moe President, Canadian Information Processing Society,
- Barnaby Jeans: Senior IT Advisor, Microsoft Canada,
- Kate Gregory: Founding Partner, Gregory Consulting and,
- Barry Gervin: Principle Consultant, Objectsharp Consulting
