[IT Manager Podcast Series] - Security

Once a month, Barnaby Jeans has been [publishing podcasts](#) on IT trends and technology issues. This month, he talks to Stephen Ibaraki from the Canadian Information Processing Society & Bruce Couper from Microsoft Canada about the top security trends and threats that IT professionals need to anticipate in 2007 and tips on how to develop strategies to meet them.

The interview is available in both [mp3](#) and [wma](#) formats.

For more information on the series, check out <http://www.microsoft.com/canada/technet/itmanager/podcast/>.

Hello -

During this podcast you may have heard mention of the Canadian Information Security Newsletter, a free bi-weekly publication that focuses on security news specific to Canadian's. It includes announcements of upcoming conferences and events, links to relevant whitepapers, and a summary of relevant news items about security and privacy in Canada.

To join, you can subscribe directly at www.digitide@noe.ca/subscribe, or send me an email: robertbegg@digitide@noe.ca
