A unique event--having CEOs and CIOs at the same table--be there!

I'm reading Martin Slofstra's editorial on "[The Science of Compliance](#)" in [www.itbusiness.ca](#) and it struck a chord. It's worth a read--have a look. Martin talks about an upcoming special roundtable he is moderating and its implications.

You have forums with CEOs and VPs talking. You have forums with CIOs/CTOs and Managers talking. Where do you see them seated together discussing the important issues facing businesses today? It is rare and quite exceptional!

It's a special event and you get to participate too in this executive roundtable, "[Building Better Business Ties](#)." Why not register and see history in the making?

Cheers,
Stephen Ibaraki, I.S.P.
