I'm providing you a peak of upcoming interviews that you will appear here. Is there someone you would like to see interviewed—send me an e-mail at sibaraki@cips.ca?

Here's a sampler:

Mervyn Adrian, senior vice-president of Forrester Research provides his deep insights into the IT market and technologies plus key IT issues for managers.

Nestor J. Portillo, Microsoft MVP regional manager Americas Region, describes the value inherent in the MVP program.

Michael Vax, vice-president of product development of Blackboard Inc. (formerly WebCT) gives his key management lessons and best practices on software development.

Richard Giles, an international authority on Web 2.0 shares his views on the latest Web 2.0 technologies, trends, and on corporate blogging.

Look for these and other interviews. Enjoy!
