Ignite your Career: Industry Insight for the IT Pro

Event ID: 1032356762

 [Register Online](#)

Language(s):	English.
Duration:	90 Minutes
Start Date:	November 15, 2007 12:00 PM Eastern Time (US & Canada)

Event Overview

The Industry is changing – change is a fact of life for the IT Pro. You need to be on top of what's going on in order to position yourself and your organization to benefit from these trends. This panel discusses information you need from experts who live and work in the industry and have succeeded.

GUEST PANELISTS:

- David Senf, Director, Security and Software Research IDC (Canada)
- Stephen Ibaraki, National President for the Industry Canada Chartered CIPS
- Paul D. Swinwood, President, ICTC Canada Inc.
